REMARKS

The Office Action of 06/26/2007 has been carefully considered. Reconsideration in view of the foregoing amendments and the present remarks is respectfully requested.

The specification and claims have been amended to address the points raised in the Office Action. In the case of certain reference numerals found in Figure 4, their prior description in conjunction with Figure 2 is believed to suffice, and that description has not been repeated in conjunction with Figure 4. Antecedent basis for claim 5 is found in the original specification at page 7, line 7.

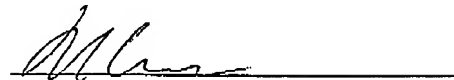

A REPLACEMENT SHEET for drawing sheet 1 is submitted herewith, indicating corrections to Figure 2.

The addition of headings to the specification was suggested. As such headings are not required and have in the past been known to affect the scope of protection afforded, Applicant respectfully declines.

Claim 3 was not rejected based on prior art. Claim 1 has been amended to incorporate the features of claim 3, which has been canceled. Claim 2 has also been canceled.

Withdrawal of the rejection and allowance of claims 1 and 4-9 is respectfully requested.

Respectfully submitted,

Michael J. Ure, Reg. 33,089
